

CONNECT + CREATE + COLLABORATE

ABOUT:

Through Promax's Connect + Create + Collaborate, members are paired with global Promax peers to exchange ideas, discuss creative challenges, and share personal experiences. This two-week intensive offers individuals the opportunity to expand and increase their cultural awareness while building an authentic connection with an international counterpart.

Whether you're a copywriter getting your start, a social media strategist, or a seasoned motion graphics professional, our goal is to find you a peer collaborator to help take you to the next level wherever you are in your career.

GOAL/OUTCOMES:

1. Better collaborators
2. Expand social sphere to establish a peer/colleague in a similar place
3. Ability to think outside native culture
4. Increased awareness of communication styles
5. Better understanding around various perspectives

STEPS/PROCESS:

1. Submit your application [ENTER HERE]
2. Promax will review applications and present potential connections.
3. Once selected, connections are introduced through an email from Promax.
4. From there, you and your connection can set the ideal time to get started. Please let Promax know your schedule so that we can support you along the way.
5. When Promax knows about your engagement, we will send over occasional touch bases, feedback, and support information
6. Once your engagement is complete, please fill out our Connect + Create + Collaborate follow-up survey to help ensure the continued improvement and success of the program.
